2024 DE ANTONIO D50 COUPÉ

Offered For Sale

Alexander Marine are excited to debut the De Antonio D50 Coupé to the Australian market. De Antonio Yachts combine the luxury of a superyacht and the ease of a day yacht so it's easy to see why they have become so highly sought after around the world. The new D50 Coupé flagship represents an advancement in the 50ft range, including the finest features of its counterpart, the D50 Open. De Antonio Yachts are known for their practicality, spaciousness, and low maintenance. Notably, the concealed outboard propulsion system is easy to own and operate, offering remarkable shallow draft capability.
